Cautionary Note Regarding Forward-Looking Statements

This press release contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 about the conversion and offering. Such forward looking statements may be identified by reference to a future period or periods, or by the use of forward looking terminology, such as “estimate,” “project,” “believe,” “intend,” “anticipate,” “plan,” “seek,” “expect,” “will,” “may,” “continue,” or similar terms or variations on those terms, or the negative of those terms. Forward-looking statements, by their nature, are subject to risks and uncertainties. Certain factors that could cause actual results to differ materially from expected results include changes to the real estate and economic environment, particularly in the market areas in which the Bank operates; increased competitive pressures; changes in the interest rate environment; general economic conditions or conditions within the securities markets; and legislative and regulatory changes affecting financial institutions, including regulatory compliance costs and capital requirements that could adversely affect the business in which the Company and the Bank are engaged; and other factors described from time to time in the Company’s filings with the Securities and Exchange Commission (“SEC”), including our prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act on May 24, 2018, Quarterly Reports on Form 10-Q and other filings with the SEC that are available on our website at mid-southern.com and on the SEC's website at www.sec.gov.

The factors listed above could materially affect the Company’s financial performance and could cause the Company’s actual results for future periods to differ materially from any opinions or statements expressed with respect to future periods in any current statements.

The Company does not undertake - and specifically declines any obligation - to publicly release the result of any revisions which may be made to any forward-looking statements to reflect events or circumstances after the date of such statements or to reflect the occurrence of anticipated or unanticipated events. When considering forward-looking statements, you should keep in mind these risks and uncertainties. You should not place undue reliance on any forward-looking statement, which speaks only as of the date
